### **SPECIAL BALLOT SENT TO OWNERS RE AMENDMENT TO CC&R'S**

#### **(Proposing to Lower % Approval to Amend)**

Last month, the Board mailed a special ballot to all owners to vote on the proposal to lower the requirement to amend the CC&R's. Upon receipt, please review the instructions and mark your ballot and return it in the provided self-addressed-stamped envelope. Only 1 ballot per unit is counted. If you have multiple owners for your unit, you must decide how to vote.

**The Board has appointed Todd Matson as the Inspector of Elections.**

At the **October 8, 2020, (6PM)**, Board meeting at Bldg 7610 Meeting Room, if there are at least 150+ returned ballots received, the Inspector of Elections will open and count the ballots. If there is not enough, the Board will extend the deadline to gather more ballots and count them at a later date. You will be notified once that date is determined.

### **SMOKE ONLY IN DESIGNATED AREAS**

Someone reported in Bldg 7628 that she can smell cigarette smoke in her unit. If you must smoke, please kindly go to a strategically designated smoking area and enjoy your smoke. Please don't smoke while in your building or anywhere nearby. Your non-smoking neighbors will appreciate your efforts.

### **POOL RE-OPENED; WAIVER MUST BE SIGNED; SIGN UP SHEET AT GATE**

For several weeks now, the pool has been re-opened under the strict guidelines from the County Health Dept. In order to use the pool, you must first submit the signed Pool Release/Waiver Form (photo of form not accepted) to the address below via scan and email it to [JamesN@Bartlein.com](mailto:JamesN@Bartlein.com) or send hard copy to the address below. Additionally, you will need to sign up on the sheet hung at the pool gate. You may only sign up a day in advance. All County Health Dept and Association rules & regulations must be strictly adhered or a hefty fine may be assessed which pool user will be responsible. Use Pool at your own risk.

Please comply with the Association pool policy or your pool privilege will be revoked and/or a fine of about \$100 will be levied to your unit.

### **TERMITE TO SWARM AROUND THIS TIME OF THE YEAR**

Around this time of the year, termites begin to swarm. There's not much that can be done while they are flying. Once land, you can use your vacuum cleaner or a fly swatter to get rid of them. If they start boring through the wood, then they can be spot treated. The Assoc is responsible once they get into the structure while the unit owner is responsible for dealing with termites when they are in your door, cabinet, window sills, furniture, etc.

### **CONTACT TO REPORT HOMELESS ENCAMPMENT**

To report a homeless encampment, please contact Shanna Dawson in the Neighborhood Services and Public Safety Department at [sdawson@cityofgoleta.org](mailto:sdawson@cityofgoleta.org) or via our City Assist system <https://tinyurl.com/GoletaSubscriptions> by going to Submit a Request and then clicking on Homeless Encampment/Illegal Camping.

### **NO PERSONAL PLANTS ALLOWED IN COMMON AREA**

As a reminder, the Assoc takes care of the landscape in the common area. No one may plant anything in the common area without first obtaining the Board's permission. Owner's plants found in the common area are subject to be pulled and discarded without warning.

### **PEDESTRIAN GATE CODE "71139"**

To enter the complex using the pedestrian gates, you no longer need to use the "#" before entering the gate code. To make it easier, the gate code is the zip code backward. Please use discernment when giving out the code.

### **DRY ROT REPAIR AT 7636**

As part of the continuous repair program, the dry rot repair work is being done at 7636 with the painting to follow. The next building on the schedule is 7632. Affordable Painting is doing the miscellaneous repairs and painting while Beachside is replacing the staircases and balconies. Thank you for your patience and cooperation.

### **CARPORT FASCIAS IN 1<sup>ST</sup> PHASE BEING REPLACED**

To complete the replacement of all the carport fascias, Vineyard Construction has worked around to finish up with the carport fascias at Bldg 7632 & 7630. Due to COVID-19 and more people are at home, this project is put on hold for now. Thank you for your continual patience and cooperation.

### **MAINTENANCE OR SAFETY ISSUE NEEDS TO BE REPORTED**

If you see a maintenance item or a safety issue which requires prompt attention, please call 805-569-1121 #204. A phone call will result in faster response. Thank you.

### **UNITS FOUND VIOLATING AGAINST ASSOCIATION RULES**

At a recent walk around the complex by a couple of board members, it was noted that there are a few units in violation of the Association rules. The following are some common conditions found:

- 1) **Using back patios or balconies for storage.**
- 2) **Excess items on front landings and walkways or placed in common areas.**
- 3) **Use of vertical trellises, inappropriate patio/balcony blinds, and unauthorized fences or structural awnings.**
- 4) **Unauthorized window air conditioners.**
- 5) **Dog off leash.**
- 6) **Smoking in the pool area.**

All residents & owners are strongly recommended to take a look at your unit balcony, patio, and front landing area. If one (or more) of the above conditions describes your unit, please promptly take steps to rectify the situation. Otherwise, the unit owner may be recommended to be levied a fine. Thank you for your immediate attention.

### **PARKING SPACES FOR ONLY VEHICLES THAT FIT**

If you have a vehicle that does not fit inside a parking space, you will have to park it outside the Development. Only vehicles that can be properly parked in between the 2 lines may be kept on-site. Speaking about parking, if you have a vendor or guest that visits your unit, it might be best to allow

their vehicle to park in your assigned spot while you park in another unassigned space. Otherwise, vehicles that park in the red zone / fire lane (or someone else's spot) will be towed at vehicle owners' expense.

### **PARKING REMINDER**

As a reminder, here are some parking rules that all residents, owners, guests, contractors, agents, etc. must comply with:

- a) Unless otherwise posted as long-term or 24-hr parking, all unassigned visitor parking is limited to short-term 72-hr parking;
- b) All vehicles must display valid, operational registration tags if parked anywhere in the Grove;
- c) There is a maximum of two vehicles per Unit that may be parked in the Grove;
- d) Unattended parking in Red, Tow-away, No-Parking fire lanes is not permitted. This includes vendors. As a courtesy, Units should park elsewhere and temporarily relinquish their assigned space to the vendor if the vendor will be working in the unit for any length of time. The vendor should be reminded not to park in the No-Parking areas except for brief loading and unloading of tools and materials. If left unattended, their vehicle can be towed at their expense.

### **OWNERS ARE RESPONSIBLE FOR THEIR TENANTS / GUESTS BEHAVIOR**

As a reminder, unit owners are ultimately responsible for the behavior of their renters, renters' guests, contractors, agents, etc. Unfortunately, if one of these people violates an Association rule or policy, the unit owner may ultimately be levied a fine. Rules and regulations are posted on the Association's website [www.eucalyptusgrove.org](http://www.eucalyptusgrove.org). Thank you in advance for informing your renters, guests, etc. of the Association expectations.

### **NO DOGS ALLOWED OVER 25 LBS**

As a reminder, per the CC&R's, only one (1) dog is allowed per unit and no dogs are allowed in the complex that weigh over 25 pounds.

In addition, visitors are not permitted to bring their pets into the complex at any time. This includes visitor dogs, large or small, unless the animal provides recognized assistance under the Fair Housing Act.

*If you have a guest with a dog, please request that your guest leave the dog at home.*

### **REPORT BURNT OUT LIGHT BULBS**

If you notice any common area light that is burnt out around the complex, please call or send an email to [JamesN@Bartlein.com](mailto:JamesN@Bartlein.com). For efficiency sake, please include all the specific details as to type and location. If able, please include a photo. Preferably, a call would be more efficient. Thank you.

### **INSURANCE INFO FOR REFINANCE**

If you are refinancing your home loan, your lender may need to obtain an insurance dec page. You may call Timothy Cline Insurance Agency at 800-966-9566 and please follow the prompt.

Speaking about insurance, the Association insurance has a \$10,000 deductible. You should speak with your insurance agent about getting proper and adequate coverage so that there's no gap between what your insurance covers and the Association's. A copy of the Assoc insurance policy is available upon request.

The Assoc also carries earthquake insurance with a 5% deductible of the coverage amount (\$33.5M+). A copy of the policy is available upon request. Please discuss with your insurance agent about "loss assessment" coverage.

All renters are strongly encouraged to get renters insurance.

### **ALL EXTERIOR ALTERATIONS REQUIRE BOARD'S PRE-APPROVAL**

In order to keep things uniform, all exterior alterations (doors, screen doors, windows, patio flooring and lattice work enclosure, etc.) must have the Board's pre-approval. Otherwise, the Board will ask you to restore the altered item at your own cost or have it done and pass all related costs on to you. When in doubt, make your request known to the Board. To request for consideration, please email your request with specs, photos or plans to the Board, c/o Mgmt, at the address below. Please do so at least 7-10 days before a board meeting. Thanks.

### **THINKING OF REMODELING?**

**Unit Interior Modifications should also have prior Board Approval.**

Unit owners have greater discretion for interior unit modifications and improvements, but any major modification should have prior Board Approval. Remember, certain interior changes are still not allowed. These include items like removing load bearing walls, dividing or combining units, and building useable areas in designated restricted airspace within third-floor units. Adding hardwood flooring should have prior approval to ensure proper insulation and installation procedures are followed to

reduce noise issues. As with exterior alterations, interior modifications made without prior Board approval or in violation of Grove regulations will be subject to removal, restoration, and/or further modification at the Board's request and at the Unit Owner's expense.

### **MAINTENANCE CONCERNS? PLEASE CALL MANAGEMENT**

If you see a maintenance issue around the complex, for faster response, please call 569-1121 #204. You may also send an email to [JamesN@Bartlein.com](mailto:JamesN@Bartlein.com) but if you do not hear back within a couple of days, please call. Exterior maintenance may not always be the Association's responsibility but please contact Property Mgr, James Nguyen, for clarification. All emails are subject to be forwarded to the Board for review.

### **ASSOCIATION TO REPAIR FAULTY PRESSURE REGULATOR AND BILL UNIT OWNER**

In order to prevent damage to the foundation, seepage to lower units, and wasting of water, the Association will be replacing a faulty (leaking or one that makes loud noise) pressure regulator if it is not dealt within a week or less after a notice is distributed to the unit. All related costs will be passed on to the unit owner.

### **PLEASE CHECK FOR LATEST INFO ON ASSOCIATION WEBSITE**

The official website address for our Association is <http://EucalyptusGrove.org>. For your convenience, you can find important information and documents (CC&R's, By-Laws, Amendments, Guidelines, newsletters, agendas, minutes, notices, and other published correspondence) posted there. Many times, the minutes have more information than what is in the newsletters. It is essential that all owners & residents are aware of the rules and regulations. In addition, if you have tenants, you are responsible for making sure they receive copies & comply with the rules. Thank you.

### **PROBLEMS WITH MAILBOX LOCK?**

If you have difficulty working your mailbox lock, you may want to spray some silicone lubricant in the lock. Sometimes, it gets sticky and does not want to turn (or it's because there's a piece of mail that is jammed up against the lock). The Association does not maintain your mailbox lock nor has key to it. You will need to call a locksmith or the Goleta Post Office (805-692-5642). Thank you.

**INFORMATION REQUIRED**

As part of the governing documents, all owners are required to provide your current information to the Association. If you move, change your contact information or if you have tenants or new renters, please provide the names, mailing address, telephone #s, email addresses. You can write a note and send it to the Association c/o the address below, fax it to 805-682-4341 or email the info to [JamesN@Bartlein.com](mailto:JamesN@Bartlein.com). Also, to help you in your dealings with lenders, the Association keeps track of the owners / tenants ratio. Please make sure to include the unit address to which you are referring. Thank you.

Please note: According to the CC&R's 3.1.2, if you rent, the rental agreement must be in writing; Assoc rules must be given to your tenants (check Assoc website) and the tenants must abide by the rules; if the tenants fail to comply with the Assoc rules, it shall be a default under the rental agreement.

**PLEASE CALL FOR FASTER RESPONSE  
WITH MAINTENANCE ISSUES**

If you have a maintenance issue, please call Management rather than sending an email. You may dial 805-569-1121 #204. Thank you.

**BOARD MEETINGS SCHEDULED;  
AGENDA ENCLOSED;**
